How it works!

BLACK HISTORY MONTH

Students will ...

compete in teams of 3 or 4 and test their knowledge on prominent Black contributors in the areas of Science, Technology, Engineering, Arts, and Mathematics (STEAM).

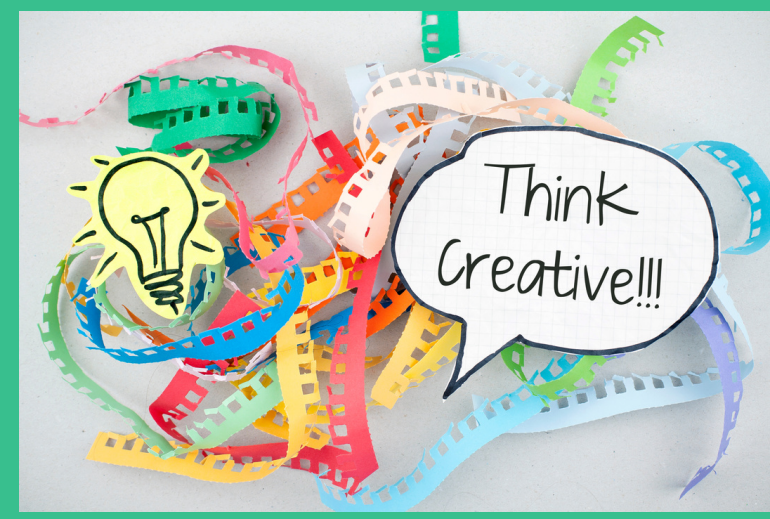

There are ...

four category rounds for each team to participate in throughout the month of February. The student teams will receive a score for each category.

The top two teams ...

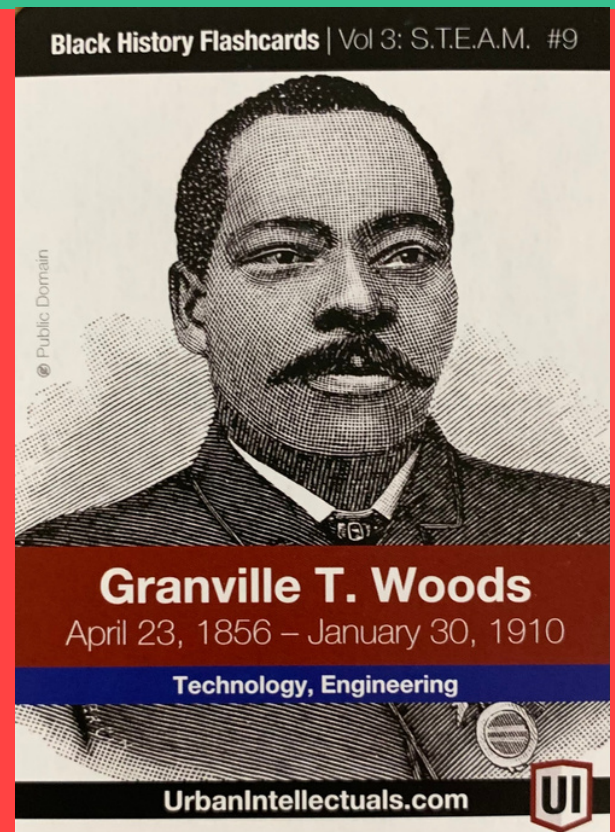

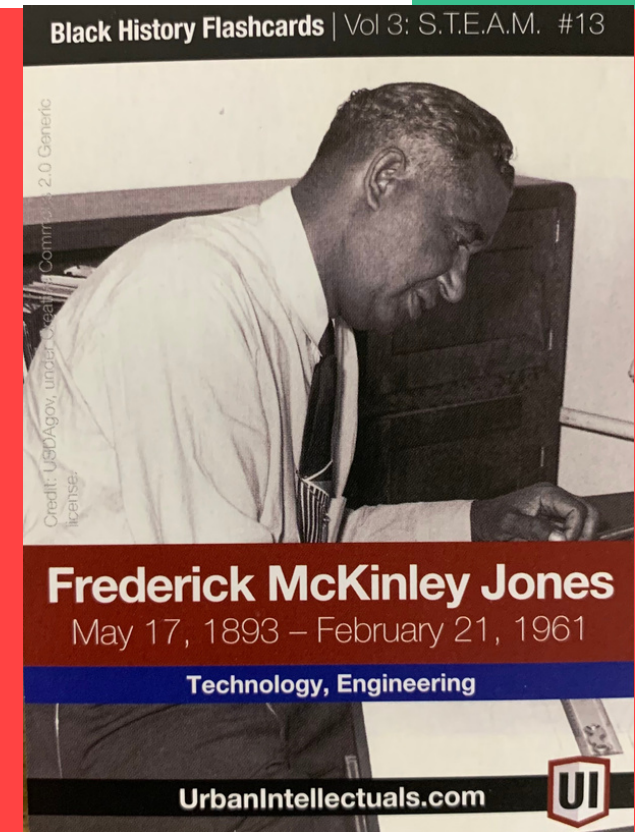

with the highest combined category scores, per grade groups, should advance to the Trivia Bowl finals! Prizes should be awarded to the final teams. All teams should receive recognition for their participation.

The Challenge Process

A Celebration of Achievement

- Decorate bulletin board, classroom door, and/or hallway.
- Explore, discover, and learn about Black History Icons who made significant contributions in S.T.E.A.M. (Science, Technology, Engineering and Math).
- Research and present about a Black History Icon. Presentations can be, but should not be limited to, essays.
- Host a Trivia Bowl Black History Challenge!
